Working Experience

- After 3 years of combined working experience in **Mandarin teaching, administration, and human resources**, Doris established the Mandarin Channel School to deliver the concept of Sustainable Development Education and Media dissemination to Mandarin teaching and Chinese culture.
- Worked as a **journalist** is about propagandizing and communicating, and psychology is an opportunity for Doris to develop Mandarin teaching for both kids&teens and adults. **The working experience allows Doris to help students pronounce and give speech fluently and confidently.**
- During the 10 years' Mandarin teaching, Doris created an “learning in FUN” Mandarin learning system for kids&teens courses. Meanwhile, because of the journalism working experience, Doris insists that the key to achieve students' learning results is to build a comfortable and interactive classroom environment.
